Dr. Fawzi Al-Hammouri has more than 30 years of experience in healthcare leadership.

Since the 7th of October 2023 he devoted all his resources to support Gaza, from blood donation campaigns, medical missions, medical aid, funding Gazan medical students and many other initiatives. And in November 2023 along with Dr. Omar Lattouf, Dr. Al-Hammouri founded the Gaza Health Initiative (GHI) which works as an aggregator to connect humanitarian organizations to rebuild the health sector in Gaza. In Feb 2024, the GHI launched its first conference, titled "The First International Conference to Rebuild Health Sector in Gaza" which was Under the Patronage of His Majesty King Abdullah II in Amman Jordan, co-chaired by Dr. Al-Hammouri. The second conference was held in June 2024, hosted by the American University of Beirut and titled "Justice for Gaza: The Role of International Law in Protecting Health, Education, and Civil Society Amidst Conflict".

During the past 18 years as the Chairman of the Private Hospitals Association (PHA), he played a major role in improving the healthcare sector and the quality of healthcare services in Jordan. And as a result of his efforts in presenting Jordan's Success Story as a healthcare destination globally, in 2023 the UNWTO declared "Jordan as a Regional Hub for Medical and Wellness Tourism".

Dr. Al-Hammouri was ranked from the top 100 healthcare leaders for the year 2023 by Forbes Middle East. In addition, he was awarded "The Man of Achievements for the year 2023" by Palestine International Institute. And in 2020, he was awarded by the Arab Hospitals Federation "Healthcare Personality of the Year".

Dr. Al-Hammouri was the president of the Global Healthcare Travel Council (GHTC) from 2015 until 2017. He is one of the founding members and he is now the honorary president of GHTC.
